Hycon Mfg. Company
Pasadena, California

ATTENTION: [redacted] 25X1

Gentlemen:

Reference is made to your letter of 14 May 1959 in which you offered to procure the following property initially procured for the Government as part of Item No. 53 in Contract No. SC-21-54:

California Fencing - 370 feet by 8 feet
Two sliding doors - 3 feet by 7 feet 6 inches
Two windows - 5 feet by 8 inches
Four sliding doors - 5 feet by 8 feet
One hinged door - 5 feet by 8 feet

Since the property has been determined to be surplus to the requirements of the Government your offer in the amount of \$456.00 for the above items, at their present location and condition, is accepted.

In order to effect payment to the Government for this property, the prime contractor under Contract No. SC-21-54 will be requested to deduct the sum of \$456.00 from the final payment to be made to you, as subcontractor, under that contract and this office will reduce the final payment to the prime contractor by the same amount.

With reference to your offer of 1 July 1959 to purchase three (3) Government-owned Frigidaire heater-cooler units now at your plant facility, please be advised that these units are not available for sale. It is requested that the three (3) heater-cooler units be shipped to the Supply Depot [redacted] 25X1

Very truly yours,
